LOCALACT

Powered by Location3

LOCALACT is the premier platform built to power and scale local digital marketing.

What does LOCALACT have to offer?

The LOCALACT dashboard provides a wealth of data and performance reporting of your campaigns. Performance metrics and reporting in LOCALACT's online dashboard include:

- Paid Search
- Paid Social
- Display

- Enterprise-Level Performance Reporting
- Local-Level Reporting for each Location
- Customer Reviews and Review Responding
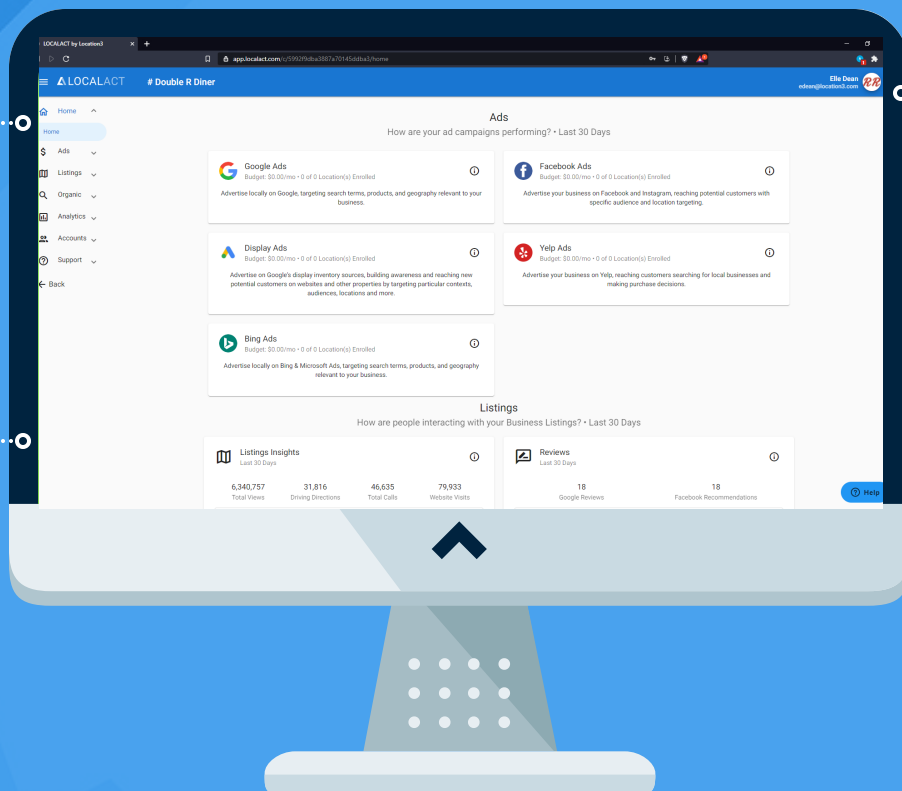

- Site Analytics
- Listing Insights
- Listing Health

Plus easy to manage Local Invoicing and Billing!

Dashboard: Browse the left-hand menu to navigate to more detailed campaign performances.

Listings Management and Review Response all in one place.

Profile made just for you to view your metrics, add budget to products, and manage your account.
